Eva's arrival routine, with Citadel as the main shopping choice. Times after landing are flexible, not appointments.

☐ **06:00+**

Arrive at LAX

Map ›

Immigration, bags and customs first; landing is not car pickup.

Your flight and queues set the pace.

☐ **AFTER**

Collect your hire car

Map ›

Follow your company's shuttle instructions after baggage claim.

Allow time for the shuttle and rental paperwork.

☐ **BREAKFAST**

Pancakes at IHOP

Map ›

Pick a branch along your chosen route; sit down and reset.

Sunset IHOP suits a Hollywood / Burbank route.

☐ **10:00+**

Citadel Outlets / Eva's pick

Map ›

Start when the shops open; browse the stores you care about.

Rental centre → Citadel: roughly 30-55 min driving.

☐ **12:30**

Lunch at Citadel

Map ›

Keep it easy: check Ruby's Diner or Pieology in the directory.

Stay at the centre; allow about 45-60 min.

☐ **13:30**

Target run / the useful essentials

Map ›

Pick up water, snacks, toiletries and a US SIM if needed.

Choose a Target on the route to your hotel; allow 30-45 min.

☐ **15:00+**

Hotel check-in + freshen up

Map ›

Head to your chosen base. Check-in is hotel-specific.

Citadel → Hollywood: roughly 30-55 min, traffic varies.

☐ **EVENING**

Dinner near your hotel

Map ›

A gentle local finish after the flight; tomorrow is a full day.

Walk if possible. If tired, prioritise rest.

Drive only if rested enough after your flight. Drop bags at the hotel first if practical; keep luggage out of sight. Citadel OR Burbank, not both. Choose IHOP along the route.

EVA'S UNMISSABLE VEGAS MEAL

The buffet I would go back for.

"Hands down, my favourite buffet in Vegas is the Wynn."

Make The Buffet at Wynn one of your planned meals. Choose the service and menu that appeal to you, then book directly. Check the current price, dining time allowance, inclusions and cancellation terms. Different dates and services can cost different amounts.

BOOK THE MEAL AROUND THE NIGHT

Avoid a tight theatre booking straight afterwards. Wynn currently opens reservations 30 days ahead; confirm the live booking window when your dates approach.
